“ *Mariyln was full of compassion and life- she was a woman who loved her family dearly. There was never a moment that would go by that she did not want her kids and grand-kids happy and safe. May all the memories and love she gave to everyone will continue to flow from them to others.*

“ I first met Marilyn 26 years ago, when she was with Nebco. She always treated me very well and was a big help to me, even though I was a small account. I was pretty sure Marilyn would never retire, or never pass. Farewell Marilyn, and my condolences to Jill and the rest of her family.

“Marilyn was a treasure! So sad to learn of her passing! Never have met someone who endured everything with a smile! You knew she was hurting, but like a big Mac truck she just "kept on truckin'""! Marilyn loved her Norwegian heritage and was such a great member of Vestland Lodge #601 in Minnetonka, MN, the lodge I belonged to before moving to Iowa. Marilyn always helped at lodge meetings, served on the Board, went the extra mile, greeting everyone with a smile and a compliment of some kind! The Lodge will miss Marilyn! Marilyn, we all love you! Rest in peace, your friend, LaDonn Jonsen.

It was ME mom that lit a candle I was on your computer. Of course, blue 😊

“ My Dearest Mom,

There are too many memories to list and today isn't a good day. I've picked up my phone a dozen times to call you. I can't bear to see anything moved at your house or, erase your voicemail messages on my phone. I want every thing to stay the same and I want you here!!

All I can say today is thank you, Mom. There is no one on this planet more deserving then a mansion full of gold , silver, bud light with a glass of ice, slot machines galore and all your friends, family and Papa to spend eternity with and be at peace in Heaven!

You're an Angel, Mom. No one can hold a candle next to you. I'm so so grateful I got to spend every day with you for this journey of hell you had to endure. I would have done anything to take your place because No Angel deserves a minute of pain and I'm no Angel.

I hope I did everything you wanted and needed from me and if I forgot something I'm so sorry. It was not intentional and no way did I ever want to let you down.

You're the most amazing woman on earth and I'm so LUCKY that I was blessed with the best mother, boss and best friend.

I could say so much more but, I don't need to. You Know already and I'm truly devastated. Thank you, Mom and know youre the most precious treasure I was ever blessed with and I'll never stop thinking of you, I'll never stop missing you and I'll never stop Loving you! I'm heartbroken but, I know you're with me whenever I need you. You're pain is gone and you're home where you belong.

All My Love to you, Forever Mom....

Love, your baby Jill

Funny you wrote that. Before she left the hospital for Home last month I gave her a black shiny stone I guess maybe it's a worry rock? Anyways, it says I'm an angel on it. 😞 I've carried it in my pocket since last Thursday. I sure miss her already. I keep picking up my phone to call her. It sucks!

Marilyn was a wonderful person. I have fond memories of her going back to her days at Theatre Confections. She really cared about all her customers as people. She was a wonderful supporter of North Central NATO from the beginning and did all she could to help us. She was a delight to know. It was a privilege and a pleasure to work with her and we'll all miss her. I know you'll miss her most of all, Jill. Our thoughts and prayers are with Marilyn, you, and your whole family, Jeff and Linda Logan
