“ I first met Marilyn at Mankato State library in 1972-74 when I was a graduate library student at MSU. She became my model professional reference librarian when I took a similar position at UMW in 1974. I loved working with Paul in his humanities classes at UMW. I also have fond memories of little Michael in a backpack on Paul's back as he taught classes at UMW. Kathryn Rynders, former UMW Librarian

“ To Mike and to all of Marilyn's family and friends, I am so sorry to lose Marilyn to untimely death. She was a gentle soul and a tough cookie at the same time. She survived the sudden death of Paul with her usual grace. She took care of her mom in her last difficult years, often a very tough job. She loved theater and books; she had a great sense of humor. Our last major interaction was her doing the alterations on the dress I wore at my daughter's recent wedding. A good person, a great lady. She will be missed by many, including me. Please accept my condolences. Sincerely,

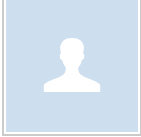

~
