“ I was surprised today to learn that Marilyn had passed. It was wonderful to be able to see you both at our 50th Reunion in 2009. Marilyn and I were good friends in high school as we both were band members. She was always a loyal friend but, time and years separates us from people as we age. I am grateful that we were able to see each other again.

“ *My condolences, Greg and Marilyn's family--Marilyn's death caught me by surprise and I am saddened. But she coped, seemingly cheerfully, for so many years with MS. It was great to have you both attend the Edina-Morningside Class of '59 50th reunion in 2009! Now she is at peace; we are grateful for her life and the time she was with us.*
