“ *Marillyn always made people feel welcome. She had a gift of hospitality, and lots of love to go around; evidenced by the number of people who remember her from the school community she worked. Despite the many years from when I was young till we met up again in 2011, I am forever grateful that she welcomed me with open arms. I have such great memories from times at grandma Reger's with Robin, Linda, Ellen and Kathi, and all the boys. It was comforting to have her catch me up on the family through the years. Marilyn was the family historian on ancestry and the glue that kept people together. She was truly a good Christian woman. She never lost her sense of humor, and always had a great story to tell over a cup of coffee or Nut Goodie. I am happy that she is now without pain and with Glenn in heaven! Blessings to the whole family. You will be missed Marilyn Reger.*
