“ I want to extend my concern for Marilyn's family at this time. As a former funeral director at HHBP, I always enjoyed working with Marilyn or "Grandma Boots" as I sometimes called her when I wanted to get her attention. She was an incredibly efficient worker who had boundless energy and always took everything in stride no matter how busy we were. She enjoyed a good joke and would laugh and laugh! You will be missed, Miss Marilyn! Rest easy in Heaven with your son, Tony!

“ Auntie Bootsie I sure am going to miss you. You were my childhood. I had so much fun staying over night at your house first on Como and then on Hoyt. Going to the lake with Ray and Flo. You guys made us snipe hunt and couldn't come in until we got one. You, Uncle Kenny, Ray and Flo caught one right away and into the house you went to play cards. Us kids didn't even know what they looked like. Not to mention the pancakes with live worms swimming in syrup for breakfast. Don't forget Henny Hatchet and uncle Ray hiding under the bed and grabbing our feet as we crawled into bed. Those were the days. Rest In Peace I enjoyed you so. Love your niece Rita. PS Give my dad a big hug from me.
