Family asks that if you have been in contact with or are currently diagnosed with Covid that you send condolences but do not attend. There are quite a few family and friends that have weaker immune systems, and would not survive. Masks are REQUIRED at the Chapel, please do not forget to bring one. As we say goodbye to our Mother/Grandmother/Great Grandmother, we take comfort in our memories, and we encourage others to

do so as well. We understand that with concerns due to Covid restrictions and such, that some of you may not be able to attend, as so we would like to share some of our favorite memories. Marilyn loved Christmas more than we think any other holiday, in fact she would try to get her Christmas shopping done as early as possible, most of the time we had to talk to her out of starting Christmas shopping the day after Christmas. Many memories we had wrapping presents, and baking holiday treats. When it wasn't about Christmas, Marilyn loved to talk on the phone with family members, sharing the latest in family gossip. She also loved to watch her shows on tv, shows like Perry Mason, Law & Order SVU, E.R., Blue Bloods, Gomer Pile, and Red Skelton. Her favorite types of movies were anything Christmas, and Elvis. She loved music from Elvis, and Jim Nabors, and even enjoyed music from Celtic Women. A favorite memory some of us have is watching old time movies, like Singing in the Rain, and Pillow Talk, and Send Me No Flowers. Marilyn loved it when her grandson and great grandson would come over and visit, preferring to spoil them with candy and sweets, as all Grandmothers do. Many family trips to Como Zoo, and picnics in the park, and powdered sugar toast for breakfast, in earlier years. Sharing holiday meals, and even getting frustrated because everyone preferred someone else's cooking to her more "traditional" flavors. Playing games like King's Corner, and Rummy, and Phase 10 and Rack-o.
