“ *I first met Marion in 1954 when I lived in Des Moines IA....I regarded her as a dear friend over all these years though I moved away to Arizona, Washington DC and now Concord, NC. We talked on the phone every so often. My sympathies to all her family....I know I will miss her very much. Frances H Lowder*

“ To Auntie Marion's family, I was so sorry to hear of her passing. I have many fond memories from my younger years as I spent time with Susie and her family which included Auntie Marion. One of the funniest things I can remember is how afraid Auntie Marion was of rubber bands and of course we use to tease her with them. Shame on us. Again my deepest sympathy, I know she will be missed.  
Love, Kathy
