“ *I look at this image of Aunt Marion and it really captures the kindness and good cheer that all the Monseth family had. They were always quick to help and comfort and equally quick to smile and laugh. I ran across two pictures that reflect some of that. One is of Marion and my mom Eleanor hamming it up for the camera. The other is of my father Myron in a boat with three of the Monseth girls. What a lucky guy. Godspeed Monseths--you were the best.*
