“ Marion was one of the MOST caring women I've ever known. As my mom's (Verna Mae Rasmussen Schneider) cousin, we kept in contact through phone conversations and holiday cards because I moved up near the Canadian border. Marion's joyous laughter and zeal for family are traits I try to emulate in my daily life and have passed down to our child and grandchild. We are so blessed to have such a beautiful angel now watching over us.  
We are so sorry for your loss!
