Tribute Wall

“ I remember going to Uncle Buss & Aunt Marion's house for the BEST Easter egg hunts when I was a little girl. Aunt Marion would always give me cookies from the cookie jar when Uncle Buss was hiding the eggs in the backyard. Then, we would walk to the park that was around the corner. When we got back to their house, I would always play with their "funny" mailbox. I never understood why their mailman walked to every house instead of driving a mail truck. Aunt Marion & Uncle Buss are finally reunited! You will be deeply missed.

Love,

Jenny (Thour) DeBuhr
