“ Marge was a great lady and I so admired her native intelligence and good sense. She was President of the Board of Directors of The Bakken Museum during a crucial period while I was executive director and the Museum was expanding its programs, scope and facilities. I can readily say that The Bakken would not be where it is today without Marge's support and guidance, which I benefited from immensely. I also just enjoyed spending time with her and Craig, which occasionally included sitting on their lanai at Earl and Doris's home and watching for whales in Kiholo Bay. Goodbye, Marge, I'll miss you.
