“ *Marjorie is my husband Michael (Mike) Knapp's Godmother. She often came and visited us over our many years of marriage and we were extremely close. I even had the privilege of meeting her precious husband Cal before he passed in 1973. Cal is in the Guinness book of world records as a marathon dancer. They even made a movie about his achievement called "They Shoot Horses Don't They". Her 80th birthday at her living facility was well attended by many who loved her and was a memorable event for Mike and I. She is loved deeply and missed just as much now as we cherished each and every visit we had with our precious cousin. She was only 16 when she became Mike's Godmother and she was and ALWAYS will be the very best of the best. Go Vikings.*
