

## Marjorie Louise Grandjean

August 21, 1919 - June 30, 2023

Grandjean, Marjorie Louise August 21, 1919 - June 30, 2023 (age 103) Marge was the life of the party. She could light up a room with her laughter and quick wit and had the ability to make others laugh as well. All our worlds were a better place with her in it and we all are grateful for the warmth and love she shared. Born in Des Moines, Iowa, she and her family moved to Minnesota when she was in first grade. She loved Minnesota, and it became her permanent home. Post graduating from Miss Woods (U of M) with a degree in kindergarten and primary education, she moved to Hancock, MN for her first teaching job. It was here she met the love of her life, Bill, and despite all odds were married for 71 incredible years. After WWII, Marge and Bill moved to Minneapolis and remained in the Twin Cities for the remainder of their lives. After teaching for some 40 years, they traveled the world, gardened, and threw an occasional party or two! Marge was also a 50 year dedicated member of P.E.O., a philanthropic organization she dearly respected. Besides her family, Marge's treasured her friends and cherished every moment she spent with them. Marge is preceded in death by her beloved husband, Bill, but is celebrated in life by her daughters, Peggy (Ed), and Barbara (Bill). She will be greatly missed by her grandchildren, Corie (Marty), Lucas (Jennie), and Bill (Sophina). Marge also had remarkable and unusually close relationships with her great-grandchildren, Dylan, Parker, Jackson, and Tyler. In addition, she dearly loved her nieces and nephews with whom she had close kinship and connections. For those wishing to make a remembrance in her name, please

choose an association close to your hearts. A Celebration of Life will be held at Brother Justus Whiskey Co., 3305 5th St. NE, Suite B in Minneapolis on Monday August 21, 2023 (her 104th birthday!) 11:00 am-1:00 pm.
