“ *My Aunt Marge, who was also my Godmother, was quite a warrior in addition to being the matriarch of her family. Marge, also known by her colleagues at Mercy Hospital as "Sarge," helped fight for a just union contract as much as she would fight for her family, extended family and her patients. She has left a substantial legacy with the many children, grandchildren, and great-grandchildren who are left to carry on, and will be dearly missed by all who knew her. Farewell Aunt Marge, you will be remembered for a long time.*
