“ *I got to know Marge at Regent of Burnsville. I just loved her. I so enjoyed our visits. She loved animals and would always have dog and cat treats with her at all times to hand out to all the Regent residents who had pets. She was such a special friend and I will miss her so much. Rest easy my dear Marge. Marlene*

“ I wrote this for Marge. I cared for her so much. Thank you for sharing her with our family.

More Than

More than a mom - she loved beyond measure

More than a wife - she cared to no end.

Losing more than anyone should-she still always had a listening ear to lend.

More than a grandma - she was the greatest and sweet.

Standing by Stan's garden - her gentle eyes would greet.

More than a neighbor - she was generous and friendly.

Hard working - no doubt. She shined her light on so many.

Patient, never judging, giving hugs and kindness to all.

Caretaker, peacemaker, second mom - she was called.

More than gone, always here. More than missed - that is clear. With her loved ones above, More than anything she is loved.
