“ Dear Uncle Giles and family, please know that we are thinking of you and praying God gives you strength in your time of need. We are sending an Umbrella Plant from all of us, with sun flowers from Babbette. It does not look like the weather will be good enough for us to travel to the cities tomorrow, but please know we will be thinking of you. Uncle Giles, you two had a marriage everyone dreams of, 66 years together, a true love story. Keep your memories close to your heart and she will be with you everyday. Love you guys, Teresa
