“ *Grandma--I will always remember the cookies you gave me at your house when I came over as a child. I always thought it was so cool to tell my friends that my grandma drank Coke...not Diet Coke! It is hard to say goodbye to someone who has always loved and supported me throughout my life. CHEERS to you Grandma and to your life that was fulfilling to everyone around you!*

“ *Pidge was the sweetest soul and the kindest sister in law. I will remember the visits she took to Virginia and Georgia to spend with Ginny and George. What fun they had and the talks of all they remembered from their childhood could make them laugh and want to cry. I learned so much from them and from Pidge as her brother called her. He wanted to see her so much his last year but travel was not possible his last few years. I'm sure he was there to greet her with a warm hug at last. My love to Carol and Bob and all the lucky grandchildren who had this loving Grandmother, Sandy Chapman*
