“ I knew Mark from my time at MTS. I worked extensively with him for quite a while. He was a good and patient person. After several years of working together, I found out that he also attended Wooddale Church, which my wife and I have attended many years. May he be at home in God's arms.

“ I would always stop by his cube at MTS to ask him how the day was going to go. He would always have a positive comment. And really enjoyed talking music with him.
My deepest sympathies to his family.
Sincerely,
Brian Jenness
