There are so many memories and wonderful times running through my mind. You teaching me how to drive a stick shift. (I am pushing the break....). When you stopped to visit me in Colorado and everytime I came back here to visit you always made sure we saw eachother.

“ Dear Bert and Carol, we are so sorry for the loss of Mark. Mark had become such a great team member of Indigo Signworks. I so very much enjoyed working with him.

I can't imagine the loss of a son at this age, I have thought of Leslie, the two of you and the rest of your family since we first got word of the tragic loss. Please know that Indigo Signworks, Louise and I have had you all in our thoughts and prayers. If there is anything we can do to assist you or the family please do not hesitate to call on me. God Bless. Bernie and Louise Dardis
