“ To Mark Hanson's Family,

I want to share my condolences with each of you. Mark became a good friend of mine during my formative years of High School in St. Louis Park. He was always a true friend, genuine in his interactions with me, my family, and larger group of friends. I have many fond memories of 'markiano', a nick name I used to share my enthusiasm of our friendship. My last memory of Mark, was meeting up in a downtown lounge/bar with our group of friends, Jon, Carlos, Dave, Brian, and others. My wife, Kalyani, was with that evening and had a chance to meet Mark. I will never forget our motorcycle escapades, joyrides in his El Camino, or other social activities. He will always remain in my memories.

With love,

Stephen, Kalyani, Sachin, and Toby
