“ Although we have been separated by distance and time, I was sorry to hear of my cousin Mark's death. Our sympathy to the family, and our prayers for peace and comfort as well. My father and Mark's uncle, Kermit, passed away in August. The verse he so often recited was "Trust in the Lord with all your heart. Lean not on your own understanding. In all your ways acknowledge Him, and He will direct your paths." Proverbs 3:5,6.
