

## Mark Meader

September 18, 1959 - June 21, 2025

Mark Meader, age 65, of Lino Lakes, passed away peacefully on June 21, 2025, after a courageous four-year battle with cancer.

Born on September 18, 1959, Mark lived a life defined by hard work, unwavering faith, and deep love for his family and friends. He spent over 40 years in the mortgage banking industry, where he found not just a career but a calling, helping people achieve the dream of home ownership. Mark took great pride in his work, and his passion for guiding others never faded.

He truly loved what he did, and it showed in the trust and respect he earned from clients and colleagues alike.

Outside the office, Mark enjoyed the simple pleasures of life: golfing, biking, playing tennis, evenings around the bonfire, movies, and cheering on football and golf. For the past three years, he spent his winters in Florida where he made new friends and created many fond

memories.

Mark was a man of strong faith who loved God deeply and lived his life as a reflection of that belief.

Preceded in death by parents Deloris and Les.

Survived and missed by daughter Mandy Meader, son Michael (Sadie), life partner Michele Winter, brothers Bill, John (Sheree), and Gary along with extended family, friends, and all those whose lives he touched.

A visitation will be held on Sunday, June 29th, from 5:00 to 7:00 PM at Washburn-McReavy (515 Hwy 96 W, Shoreview, MN 55126), with a funeral service on Monday, June 30th at Rockpoint Church (5825 Kelvin Ave N, Lake Elmo, MN 55042) at 11AM with a visitation at 10AM. Luncheon & interment to follow.

Mark's warmth, generosity, dry humor and steady grace will be deeply missed.

“ I am one of Mark's clients. We've known him for nearly 10 years. Mark was a business man plain and simple. But what set him apart was that people came first, hands down. If there was ever an issue with the property, Mark took care of us asap and got the job done right! He would call too to follow-up with us. You could tell that he really took care of everybody, not just us. We will very much miss, Mark.

“ I met Mark when I was 21. Shortly after becoming friends Mark came over to my place with a friend and told me that both of them had accepted Christ in their heart and urged me to do the same. I could see a wonderful change in Mark. I was the "prodigal son" at the time and through Mark's urging I recommitted my life to Christ. Afterwards we had a small group of friends we hung out with and went to church with. They were good times. But as life goes on Mark moved away and our friends moved on but Mark and I would still see each other. He was even the Best Man at my wedding. Sometimes we would see each other for months but when we did, we started where we left off like no time had passed. As time passed, I moved to Florida and had him come down and visit me. During that time, I urged him to move down here where we could play golf all the time. We'll he finally bought a home in Florida but we were an hour a half away from each but still found the time to golf. I remember saying to him one time while golfing if he would have ever believed it when we were in our 20"s if someone told us that we'd be golfing in Florida someday and he said nope. I said I wouldn't have believed it either. Mark was a great friend and a great golfing partner and I will miss him! But the most comforting thought about Mark being gone is that there is going to be a heck of a reunion someday, for I will see him again in a better place! In the meantime, he will be terribly missed!!!

“ I will definitely miss my business relationship with Mark. As a real estate agent, I remember many years ago when I 1st knew of Mark, as a loan officer, I was using a different lender. For a period of time Mark would try his best to persuade me to use him as a loan officer. Eventually I gave him a try. And I would (most definitely) have to say, I am so glad that I did. Mark was a true specialist in his field, and my clients knew this as well. I will miss Mark tremendously as a friend. Neither one of us were good golfers. We just enjoyed getting out, breaking away from business. The fact, that we were not very good golfers, we decided that the person with the high score wins.....that seemed to work really well, and it helped us for always wanting to come back. We actually got this idea from Don Knotts during an episode on the Andy Griffith show. Save me a spot up there buddy. John Mann

“ I had the honor of working with Mark Meader for many years, and in that time, he became far more than a trusted loan officer—he became a friend. Mark's dedication to his clients and his unwavering support of the real estate professionals he partnered with was unmatched. He worked tirelessly, often going above and beyond to ensure each transaction was handled with care, precision, and integrity. His honesty was second to none, and his calm, steady presence made even the most stressful deals feel manageable.

Mark was the kind of person who made you feel confident just knowing he was on your team. His professionalism, kindness, and faith-filled approach to life left a lasting impression on everyone he encountered. I will miss his guidance, his humor, and most of all, his friendship.

Rest easy, Mark. Thank you for everything.

“ I'm so grateful that I got to know Mark when a group of us played trivia together for years prior to the covid shutdown. Trivia was so much fun and we all got to know each other and truly enjoyed each other's company. Mark

was a man of great Faith and gifted me a bible a few years ago. I cherish that bible now and will always think of Mark when I read it. May you rest in Peace, Mark. You will be missed!
