“ My uncle was one of the sweetest persons I know. As a child growing up, I use to look forward to spending time at his house. He was an amazing man. I can still hearing him calling me by my pet name "MY GIRL NINI". I am giving God thanks that I got the opportunity of hearing him call me the same way he did me as a child on one of his last visits to Jamaica. He would have walk my sisters and I through his cancer journey. I am bless and glad to have had him as my uncle I will surely miss him. As we say good bye to a life well lived, I pray the lord will escort him to heaven. Love you uncle. MARCIA MORGAN (NINI)

“ As a child, some of my happiest memories were spending holidays at uncle Mark's home in Jamaica with Aunty Sharon and Marcus, surrounded by laughter, love, and togetherness. He had one of the brightest smiles that could light up any room and a caring spirit that made everyone feel welcomed and safe. His gentle nature, generosity, and love will never be forgotten, and his memory will continue to live on in my heart. Rest well, uncle.  
Love, Lipsy 🌸🙏
