

## Mark Newland

April 29, 2017

Mark Newland was very suddenly ripped away from us this morning due to an accidental overdose. At 25 years old, this is not something our family is prepared to handle. We are all in shock and disbelief. Mark's life seemed to finally be coming together. He and Jessie just recently got married and they are expecting their first child together due this summer. Mark was a loving husband and father to his three step children and the most protective biggest little brother there was. Mark always saw the best in everyone and was very kind and loyal to everyone he ever met. Family was most important to him. Mark is loved by so many and he will be greatly missed by his wife and step-children, Parents, Sisters and Brothers, Nieces and Nephews, and all his extended family and friends.

Due to our sudden loss, The Newland/Anderson family is asking for your help and support in assistance of the burial expenses for Mark. He was only 25 and just really getting on his feet and starting out with his family so there is no life insurance or savings to help with these costs. A GoFundMe page has been set up for donations: <https://www.gofundme.com/funeral-fund-for-mark-newland>. Anything that you can contribute is greatly appreciated at this time. Thank you in advance for your love and support.
