“ I played basketball on Madison's team with Mark during his senior year. We had an incredible team, ranked #2 in the state. When we played the #1 team (Morningside HS I believe), we were down at halftime by 6 or so. Mark wanted that win more than anyone on the team, and I remember at our halftime team meeting, he let that be known. He YELLED at all of us, saying "you're not playing with your (expletive deleted) hearts!". I remember him slamming his fist into one of the lockers during his speech!  
We didn't win, but we came close, and I took away a lesson in heart and intensity from Ozzie. I played very little on that squad, but it was one of the great honors of my life to be on it. Mark will live on in my heart.

*with gratitude for our friendship,
