“ *This hit me hard. I really like Mark a lot. I met him years ago at the Godfather restaurant where he worked. I introduced him to your mother. I am so sorry for your loss.*

*I know the years have flown by and life takes us all in different directions; I am so sorry to hear this news. I remember Mike as one of the Good Guys and he always had a Smile for me whenever I saw him. I thought it was the neatest thing to hear that he was into Cooking and later into Cars. Great Guys reach for the Heavens much too soon.*
