“ *I met Mark 10 years ago from a mutual friend. He was a great guy with the best sense of humor. We both were divorced so we were able to support each other. He even called me a couple weeks before his passing to see how I was doing. I will miss my friend dearly. May you rest in peace Mark!*

“ *I met and worked with Mark 20 years ago. I loved his one of a kind sense of humor, his infectious laugh, and creative personality...simply no one like him. He had great passion for his wonderful family, especially his kids. I adored him and will never forget him. RIP "Spark", I'll see you on the other side.*
