“ I am so thankful for getting to know Marlys when she visited us so many times here in her ancestors homeplace in Norway. And I am thankful I could visit her with my mother , two of my children and a cousin in 1998. She had a genuine interest to get to know her relatives here in Norway. I had hoped to meet her once more , but the illness stopped it. I learned to know Marlys as both strong and mild with great love and care for her family .  
Rest in peace, dear cousin ❤️

“ Thanks for visiting Norway and also came to our home in Hattfjelldal. I remember you from the first time I met you in Helen and James Sanfacons home in Minneapolis, with many others of Aune- relatives there. A long life caring for your family has come to the end. Rest in Jesus arms, Marlys.

My friend Marlys-thank you for giving me the honor of knowing you your whole life just about at least from the time you moved out to Linwood township until you passed. You were a very strong woman who overcame many many obstacles during the time I knew you! I can remember seeing you pushing Eric down to the senior center or up to the store well he was in your care for all of those years you could! The horrific pain you endured with the loss of your daughter Janine-her horrible death is still a mystery and the person responsible for it is still out there! I hope I gave you some peace while you're at my house during your last days-and at last you're joining your family that has passed on before you. I know you are at peace, so rest easy my friend until we meet again.
