“ *My Grandmother was a wonderful person who cared for me as well as all of her grandchildren. Some of my earliest memories in life are being with her at the kitchen table doing puzzles together and eating a bag of pretzels. I remember in sixth grade when we went on a trip to Duluth to see the tall ships come into harbor and we stopped for lunch and got monte cristo sandwiches. And another trip we took through south dakota and all the places we visited along the way. I'll carry these memories with me for the rest of my life and beyond when we meet again in heaven. I love you grandma, and i'll miss you.*
