

Ms. Marlys J. Tice

August 15, 1931 - June 13, 2021

Tice, Marlys J. age 89 of Mpls, was born August 15, 1931, passed away June 13, 2021. She was raised in North Mpls by her mother, Josie and step father, Henry. She graduated from North High School. After graduation she was married and had 1 son Kenneth. Marlys continued to live with her parents until they both passed. She attended church on a regular basis. After her parents passed the only form of transportation available to her was the Metropolitan Transit System. When her neighborhood church moved to the suburbs, she continued to attend only after taking a couple of different buses each Sunday morning. Marlys became an expert on bus routes and times. She had a deep faith in God. Having to raise her son on her own, Marlys took a job with the University of Minnesota Food Service. This involved taking public transportation each day. After retirement, Marlys became an avid swimmer, continuing until her health would no longer allow it. She was never afraid to speak her mind. She was independent until her health slowed her down. Fortunately for her cousins who lived in the area stepped up to help her taking her shopping, picking up her medicine and generally looking after her. She had a very loving family. Marlys was preceded in death by her parents and her son Kenneth. She is survived by numerous cousins. Private interment Crystal Lake Cemetery. Washburn-McReavy.com Glen Haven Chapel 763-533-8643
