“ I've known Marsh since the time he hired me in 1983 to work alongside him and a talented Corporate Communications team at Deluxe Corporation. We stayed connected over the years through correspondence and an occasional lunch. In all that time Marsh remained the person I've known him to be from day one — kind, thoughtful, intelligent and even keeled. It has been an honor to work with and to have known Marsh. Truly a good man. Blessings to the Kult family.

“ I will always appreciate Marsh as my manager at Deluxe. He and Dale Martin hired me after college. After having my first child, I wanted to transition from full- to part-time work. I made a win-win case to Marsh and he advocated for me to work as a salaried part-time employee. I will always be grateful for that opportunity to spend more time at home with my children, but also to continue my professional career. Thank you, Marsh! You were one of my angels here on earth. Now you are an angel elsewhere! Godspeed. My condolences to Jane, Kirsten, and Jeff.

“ GRUMPIES TRIBUTE TO MARSH

*We know it will happen; we just don't want it to. We know when the expiration dates appear for our era, our generation, our gang, when others near us, fellow workers, friends, relatives, are moving to the next level. We just can't believe that it will include one of our closest and most loved.*

*Marsh was a member of a group that worked, played and hung together for over 50 years. We folks became parts of each other's lives. Heard the good, the bad and shared the pains and blessings through the years. To lose a key member of the "Grumpies" is a terrible thing.*

*We feel some of the sadness that Marsh's family faces but also the gratitude that accompanies his long battle to stay with us. We must celebrate that he was available to be part of our lives and that, at the end, his pain and worry was gracefully withdrawn by his passing.*

*It will happen for us all; we just hope that we will leave as strong and favorable an image of ourselves as Marsh leaves behind for us.*

*Fairwell strong friend, we'll all be meeting up to share our new stories in the future.*

*The Grumpies...*
