“ Words cannot express what Aunt Martha meant to us. She was funny, lovely and full of life, all the time. She imbedded a part of her in all of us and we are better people for it. My deepest condolences to my Uncle Wayne and my cousins and their families for the loss of your mother. We will miss her greatly.

“ Uncle Wayne, Jerry, Bette, Barbara and Jeff, Our deepest sympathy on the loss of your mom. Looking at her picture as a young girl...my mom looked so like her sister. I will always have a big smile when I remember Aunt Marta. She was indeed, a very special woman. I know the Leal family is together with Christ, our Lord. God's strength to you at this time. “ When I think of Aunt Martha, I picture her sweeping down to visit us in the Valley, laughing and full of ideas. She was our exotic aunt, the one who didn't live in Texas, the one who had a large family, the one who traveled, and she was MY godmother...don't think I didn't brag about that! Our thoughts are with her family - may you remember all the good times and take comfort that she has moved on to a better place. Patsy (Sims) Lewis and family
