“Marty was such a wonderful neighbor! She had such fun dressing as a witch each year at Halloween and playing the part so well that as a little kid I didn't know it was her! It was such fun! Lots of great memories of babysitting Susie and Bobby and Marty and Ron were always so kind. My heart goes out to the family on a great loss. God bless.

“My deepest condolences to the Jacobsen family. I have such wonderful memories of Mrs. Jacobsen while growing up on Dixon Drive ... her laugh, her smile, when she dressed up as a witch every Halloween ...and in 57 years, I have never had a chocolate chip cookie better than the ones she made.

“ I have many fond memories of Martha. We got to know each other well in high school German class. On a trip to Gustavus to visit a mutual friend, I met my future husband. We also took a trip to Florida with some friends in our early college years. Over the years we have kept in touch and gotten together when we could. Was a wonderful gracious happy person. I will miss her.

“ I remember Marty who, while living at Vista Hermosa, was such a wonderful happy and giving person! Among other activities, I remember Marty coordinated the "Women's Luncheons" and provided gifts for so many of us. She attended even after moving to a new location. She was a loyal and special Lady in the true sense of the words.

Our condolences to her family and many friends; I'm sure she will be missed. May she rest in Peace with the Lord.
