“ I was so sad learning that Martha has passed away. She had such a beautiful spirit. I knew her since I was a little girl. She was in the same ward as my family and she was so kind and loving. She was good friends with my parents. I remember her love of music. She had a beautiful smile and overall was a wonderful example to me. Condolences to William, Glen, Doug, Jim and all the rest of her family and friends. She will be so missed but I bet she is having the best reunion with Tom. Sending all of my love and prayers.
