“ I know I was too young to get to know you. But I sure do remember you and you come across my mind at random times.. sometimes I wish I was a bit older to get to know some of the older Melina's. I've heard many things about you, you being a strong, great loving man. Heard u could be grumpy at times also but who isn't nowadays. I remember being really little looking down from the deck at the old house seeing you sit in-front of your car making sure no kids accidentally hit it while playing. i know I was young but those were really good times to me, everything felt just right. I don't what to think nowadays about my family.. it's hard growing up and coming to the realization that things can pan out more differently then what I originally thought things would be like. Maybe someone like you would have helped me get through this, you and tweeter... may you rest in peace grandpa I'll forever remember you

“ ohhh Pa, the only comfort that we get out of you passing is that you are with your beautiful wife Goldie. My sincere sympathy to all of the melina family for enduring this tragic loss of their loved one. He was a good man and would give you the shirt off his back if you needed it(or he would go buy you one.I had many fun and good times with him and goldie, many laughs and lots of good talks. May he rest in peace and in the arms of his beloved goldie. Sorry for your loss. :(

“ *The Melina family has lost a wonderful, wonderful man. There is nothing you wouldn't do for anyone. When I was a kid there wasn't nothing that I loved more than staying at uncle Marty's house and being around my cousins. May you rest in peace uncle Marty with aunt Goldie and know that you are and will be missed everyday and will never be forgotten. I love and miss you.*
