

Marty Thomas Wallace

March 1, 1962 - June 25, 2024

Marty Thomas Wallace of Golden Valley passed away on June 25th, 2024. He was born in Clarksville, Tennessee on March 1st, 1962.

Loving father, brother, uncle, son, and grandfather, with over 25 years of experience on the road as a semi-truck driver (with more miles going backwards than most of us have going forward). When not in the truck, he could often be found riding his motorcycle with friends and family.

The last few years brought many proud memories, as he got to watch his son follow in his footsteps (or should we say tire tracks), meet his first granddaughter, as well as see his daughter graduate from college.

He is survived by mother, Georgia Buehler; sister, Wendy Krueger; brother, Joseph Grapentin; sister in law, Dawn Grapentin; son, Wyatt Wallace; daughter in law, Haley Edwards; daughter, Margaret Wallace; granddaughter, Aspen Wallace; his dog, Gracie; nieces, nephews, and cousins. Private Interment, Celebration of Life on September 6th, 2024, from 3-7pm at the Hamel American Legion.

“ To be loved by my Uncle was a beautiful thing, he had a heart of solid gold and a sense of humor to rival all comedians. I am so glad to have had him for as long as I did, even though I would happily take 100 more years with him. I'll always remember being so annoyed with him for messing up a hairstyle I spent an hour on in 30 seconds, and rolling my eyes so hard I could see space. I would do anything to be annoyed with him one more time, to laugh with him one more time, and to tell him I loved him a million more times. No one was ready to face this lifetime without you, but until we meet again I'll love you forever Uncle.

“ I have known Marty for forty years. Through the years our relationship went from friend to brother in-law. Over the years I realized that if Marty wasn't teasing you, he didn't like you. My favorite was to be called “you old blister.” Some might be offended, but it always made me laugh. In recent years, I grew very close to him, and thought of him more as a brother than a Brother in-law. I have many good memories of Marty, but most of all I will miss his face lighting up over something as simple as chocolate cake. I would bake a million of them to see his smile again.
Forever in my heart

“ Every family holiday, and birthday party he was there. I remember him always making me laugh as a kid, and I remember his comments about the guys we would bring to holiday get togethers as all of the nieces got older. I always liked to think it was because he loved us girls so much and was looking out for us in his own way. He made his family his number 1 priority in life, he was always there for us. He was just the best uncle.

“ There is no words that can describe the loss we feel without him, always there if you need him, his dry sense of humor his love for his family and his babies were his whole world and he was constantly showing pics of his granddaughter he was so proud. Our lives will never be the same but I'll see you again one day brother love and miss you so much❤️
