“ *I cannot tell you how much "Aunt Marvel" has meant to me throughout all my life, from the time I was flower girl at her and Uncle Marvin's wedding. Then when I married my Bill and became doubly attached, she was always our cheerleader. Who could bake better dinner rolls and put together a meal for a crowd better than she could. My brother, Dave, our children, and I have been reminiscing via e-mail how precious she was. God bless you all and comfort your hearts. Love to all, Patty Wesibrod Mincer and Dave Weisbrod.*
