“ *Please except my deepest sympathy during this difficult time. I remember your Dad giving me and Vince rides to and from hockey in his pick up truck. Such a great guy and dedicated to his kids. You're in my thoughts and prayers. Reminder that heaven must be the greatest place because no one ever seems to come back. May the good Lord welcome your dad home with open arms as he walks down the streets of gold. God Bless and may the good Lord comfort you in this time of sorrow.*

“ *Vince, Joe & Ed,*
My deepest sympathy in the loss of your Father. I remember your dad when he use to give me rides to and from hockey in his pickup truck. I just remember him always being supportive for you guys and I'm sure that never changed. Losing someone is never easy but just remember, Heaven must be the greatest place because no one ever seems to want to come back. May God comfort you and your family and May he welcome your dad home with open arms as he walks the streets of gold. My thoughts and prayers are with you always.

“ *My condolences to you Clara and entire family. My memory of Marv right now is him in his truck with his arm hanging out in my folks driveway. Good sense of humor as well! Prayers for all.*
