“ Marvin and i got married very young. It did not work out for us. We have 2 beautiful children ( that look just like him ) and 6 grandkids. For this i will always be thankful. As the years went by we realised it is best to have a good relationship for the kids. He would once in a while text on our anniversary and say " can you feel the chill in the air? It's like our wedding night " .. it was all in fun and made me laugh. He had a great sense of humor that i see in my kids. He is gone way too soon. My heart goes out to deb, my kids, grandkids, and all of the madison brothers and sisters and all family.

“ When he came to Oklahoma with Clark he had Clark park around the corner and he walk up to the door to surprise me. When I opened the door he yells Aunt Debbie do you remember? I told him I cant forget a face like that. I love you Marvin,and I'll see you soon.
