

Marvin Adrian Rorvick

May 24, 1946 - February 12, 2026

Rorvick, Marvin A.

Age 79, of Wyoming, MN, passed away February 12, 2026. Preceded in death by parents Sig and Amy (Caspersen) Rorvick and sisters Nancy and Lorain. Survived by loving wife Kay; son Tony (Alita); grandchildren Mitchell (Abbey), Haley (Ryan), Lucas (Nate), Hannah (Lance), Jacob (Casi), Christian (Jessy), Alyssa (Jesse), Nathan (Remi), Katelyn (Andrew), Kristina (Cole) and Mia; great-grandchildren Kieran, Landon, Gracie, Onyx and Poppy; and dear family friends Gunn Sandik and Elizabeth Robins.

Marv served 30 years with the Minneapolis Police Department, including 12 years as a Homicide Detective. He later served 15 years as an investigator with the Hennepin County Attorney's Office. He was especially proud of his role in securing the arrest and conviction of those responsible for the murder of Officer Jerry Haaf.

Proud of his 100% Norwegian heritage, he visited relatives in Norway and remained in close contact over the years.

Marv cherished time at the family cabin on Lake Roosevelt near Outing, MN, enjoying hunting, fishing, canoeing and water skiing. He later owned the 30-foot sailboat Alibi, moored in Bayfield, WI, and raced in the Trans Superior Race from Sault Ste. Marie to Duluth.

After selling the sailboat, Marv and Kay raised Tennessee Walking Horses, including "Bigtime Preview" and "The Reverend Mr. Black," establishing Black Dog Farm.

The family thanks the staff of Ecumen Hospice and Ecumen North Branch for their compassionate care.

“ Thinking a lot today about Marv and family. All positive memories. We spent countless hours in our youth from Sunday School at St. Olaf Lutheran to all of the outdoor activities we both enjoyed. Even the JFK 50 mile fitness challenge.

For a couple of stubborn Norskies there was never anything but kindness and respect between us. (Except when we were punching each other after S. S. at St. Olaf.)

Marv was my Best Man when I married Mary Ann in 1967. Our paths in life diverged but we always valued our shared time together in our youth and beyond.

Love to all who will be missing Marv.

“*Marvin and the Sig and Amy Rorvick family are now all in heaven. They have all been part of the clan for as long as I can remember. I remember visiting the cabin at Lake Roosevelt. They had a boat house for their ski boat and took us for rides. Berry picking and picnics where the Norwegians spoke their native language and prepared Norwegian recipes were common. I watched as their family took many adventures to Alaska and beyond. It was very inspiring and the decency of this family was something I was very proud of. Marvin and his sisters all included travels to Alaska as their coming of age activity. Also we had many summer dinners at our home in Deephaven. Marvin was always included and had exciting stories to share. I will always remember his sideways smile and happiness. He will be missed by all that loved him.*

“*My deepest condolences to the family.*

I didn't know Marv well, but he was good friends with my parents, Pam and Bob Oman (my dad and Marv were cousins; my dad was also born in 1946 and died in 2013). Marv was always a great friend to them. We enjoyed visiting his farm a few times and were always very impressed by his generosity and commitment to family. I know Marv was greeted supportingly when he was reunited with them in Heaven. Rest in peace, Marv.

“ I worked with Marv for many years at the HCAO. A wonderful man and fantastic Investigator. He worked hard. We laughed a lot. He served the public well and for that we all owe him our thanks.

“ Marv was a gentle giant. I worked with Marv when I was a victim advocate at HCAO. If you had a sensitive witness to persuade, Marv was the one to send. I also enjoyed his tales of adventures delivering for LifeSource after he retired. A gentleman, he was loved and respected.

“ Marv was our summer neighbor growing up in Outing, MN. Marv, my brother and I made a clubhouse out of an old chicken coop that we spent a lot of time, including overnights sleeping on old couch cushions. Swimming, waterskiing and wandering around in the woods were all part of the adventures.

“ Marv was one of the first people I met when I started at the Hennepin County Attorney's Office in 1992. We would go on to work together on many cases and I considered him a friend. After retirement, we remained in contact and he was one of my greatest cheerleaders when I turned to writing. Sending love to his family.
