

Marvin Coad Stewart, Sr.

November 28, 1952 - January 13, 2026

Marvin 'Coad' Stewart, 73, of Fridley, Minnesota passed away on January 13th, 2026 surrounded by his family. Born on November 28th, 1952 in Springfield, IL, he was a devoted husband and father.

Born to Murlene and Mary Stewart, Coad along with his 5 siblings, grew up in various cities across the country as the son of an Airforce man. Early in life, he showed great enjoyment in motorcycles, traveling, and family. He joined the El Forastero Motorcycle Club in the early 1970's. As a proud 50+ year member, a large portion of his life was dedicated to the growth, prosperity, and brotherhood of the club.

The only thing more important to Coad was his family. He married his wife, Sandra Stewart, in March of 2004, blending together a large family that he loved and protected fiercely. His children and grandchildren meant the world to him and could often do no wrong.

Coad was someone you could count on. He gave great advice, told the best stories, and showed us what a man of integrity, kindness, and strength looked like. His absence will leave a lasting void, but we will always carry his spirit with us.

He is survived by his wife, Sandra Stewart, children, Coad Stewart Jr., Jason

Almsted, Jodee Tarman, Lisa Twiggs, Jacob Coffman, Destinee Stewart, Ashley Stewart, many grandchildren (too many to list, but each with its own special place in his heart), his siblings, as well as many friends and extended family members who will miss him dearly.

Preceded in death by his parents, Murlene and Mary Stewart, and brother John Stewart.

“ Coed and his entire family were close friends when I was a youth. They even lived with us for a while. We loved them all. Coed was a huge influence on me in my early years. I thought he walked on water. Like Steven Tyler wrote, time has gone by “ like dusk to dawn” . We never connected later in life but I have such fond memories. RIP my friend . 🙌 and ❤️ to the remaining Stewart Family. Greg Venette

“ I met Coad over 55 years ago as teenagers in Colorado. I hung out often with him and his brother John. Later he lived with me and my husband at the time, on and off. He came with us to Minnesota. He ended up staying here and putting down roots. I hadn't spent much time with him for many years but I would see or hear from him now and then. I saw him last at cub a few months ago and we chatted for a bit. My condolences go out to all his family and friends. I have many great memories of Coad, may he rest in peace.
