“ *Michael and Marie,  
My condolences for your loss. I am sorry that I will not be able to attend Mary's service. The memories you have of your mom will live forever in your hearts. I have many memories of your mom. But one memory that stands out, the week my mom was in California when I was in first grade, my brother (Stuart) and myself went to your house before and after school. And Mary would make grilled cheese sandwiches and tomato soup for lunch.*

“ *Mary was one of the most wonderful classic awesome lady. I had the honor of working with her at both Harrison and Jefferson schools in Minneapolis. She was always so kind willing to assist anyone. She treated everyone the same no matter who you were but more importantly who you weren't. But - - she would never share how old she was but lady's never do. Her smile and quiet demeanor was very much appreciated. Although I haven't seen her in years I still have very fond memories of her. She really was a grand lady!! She was a gift to us in the classroom. God bless her and her family. Loren Meinke*
