“ My mom, Lois Nathe Hammett, and I watched Mary Anne's funeral on live stream. We live 3 hours apart. Following the funeral, my mom immediately called me and we both shared how much we loved her beautiful funeral mass. It was so personal and her granddaughter's tribute made us laugh and cry. We are wanting the recipe for her sticks and squares!!! What a beautiful tribute to an amazing wife, mother, sister, grandmother and great-grandmother & friend. Please know that you continue to be in our thoughts and prayers!! We all love Mary Annie here in Montana!! The last times I was in Minnesota I saw Mary Ann and Jim. They gave my mom and I a ride to the airport after we had brunch together with Sharon and Don Ehlman. They were such a Class Act & I have such fond memories of this special couple. Wishing you all comfort & peace. 💖

“ *What a beautiful celebration of Grammy's life. I remember being on that dock giggling and then having those warm towels waiting. The miraculous container of Stix and Squares and those socks that walked you through the house in style.*

*Love and hugs to all of you.
