“ *The world has lost another great role model. Pat and Mary Kay were the best Godparents. I will never forget Orange slices in the candy bowl, trying to trap rabbits in there back yard and the excitement when I saw the boxes down even though I am sure Pat did it. Taking me for bike rides and driving to Chicago to watch Kevin play only to have to turn around because I got sick. I will always cherish the memories with the both of them as they bring a smile to my face. Unfortunately I can't make it to the service but my thoughts and prayers are with you.*
