

Mary Claire Beyersdorfer

March 26, 1926 - July 2, 2023

Mary Noll Beyersdorfer

Mary Beyersdorfer, fondly known as "Abba" to friends and family, died peacefully at the age of 97. Mary was born in 1926 and lived most of her life in Cleveland and Cincinnati.

Mary grew up in College Hill and attended Hughes High School. She met her husband,

Jack, during their high school years. Jack joined the service and Mary attended

DePauw University and then returned to UC to study education once Jack was home

from the war. They had an amazing group of friends from those high school and

college years and stayed close with them throughout their whole lives.

Mary was a teacher and a homemaker. She enjoyed knitting and being an "inferior

decorator" (as she would say) and she loved to plan social events and play tennis and

golf during her years at Ryland Lakes CC. Time in Florida, watching Jeopardy, playing

bridge and having "happy hour" became her favorite activities as she got older in

addition to spending time with her greatest treasure, her family and friends. Mary was preceded in death by her husband, John C. Beyersdorfer "Papa" and her

beloved son, John C. Beyersdorfer Jr. (Sheryl). In addition to many other relatives and friends.

She will be greatly missed by her children, Mick (Linda), Rich (Patty) and Marijo (Kevin),

thirteen grandchildren and their spouses and 11 great grandchildren. Mary had a way

of making everyone of them feel like they were her favorite and nothing brought her

more joy than spending time in person or on the phone with each of them.

Many of

Mary's nieces, nephews and children's friends also thought of her as a second mom.

Cheers to a life well lived, the assurance of her new home in heaven and the legacy of

love that she left behind to so many.

A private service of remembrance will take place at Spring Grove Cemetery Chapel at

9:30am on July 29th with an "open to all" celebration reception following at Kenwood

Country Club from 11:30 ~ 2:30. In lieu of sending flowers, donations can be made to

the Leukemia and Lymphoma Society.
