“ *Diane Mathison Mohrbacher and myself, Donis Mohrbacher Giefer, didn't learn of Mary's passing until much later. Mary was a special cousin to us. We had some great and fun times together over the years with her and family. Lots of memories. Unfortunately, we lost touch and location of her the past few years. Our sympathy, prayers and thoughts go with the Boegeman family. With love, Donis and Diane.* ”
