“ I remember growing up as kids on the street we always congregated around Sanford and Mary's house. Be it shooting baskets in the driveway, football in the yard, wagon races, it didn't matter what we did, somehow, somehow, we all mad it back to the house. One of my favorite times was playing street hockey when school was canceled, we played until we were freezing, then went in the basement in front of the fireplace to warm up, then right back outside.

We did this simply because Sanford and Mary always welcomed us is and treated us as we were their own kids. Our own parents never worried about us because they knew that if we weren't home, we were at the Brue's house.

“ I just remember as a kid **LOVING** when my grandparents would take us over to your house. I remember swinging in your backyard and seeing your authentic smile. And creating that shelf in Sanford's workshop and how you were gonna give that to me as a wedding gift one day. You and Sanford, both were the sweetest. and most importantly dedicated your lives to serving Jesus. ❤️❤️

“ We have lost two faithful friends who prayed for their family, our family and many others during their daily Bible reading and prayer time. Mary would remind us from time to time that they still prayed for our family. We were blessed. We've eaten many delicious meals in their home over the 50 plus years and maybe drank gallons of coffee. We could stop by at any time and always be welcomed to sit down, laugh and talk about anything. Mary showed me a shortcut years ago to making grilled cheese sandwiches, which I still follow. We are also left with fun memories of being together with Sanford & Mary, Wayne & Doris on trips to the Hostfest in Minot, ND. After many Lenten services we would get together and celebrate the four March birthdays. We were all sad to lose our mutual friend, Wayne in January and now they are with him as they all enjoy being in the presence of Jesus and all their loved ones who have gone before them.
