“ *Many fond memories of Aunt Mary. Her laugh always made me smile. She was always so caring and considerate-asking questions and always remembered previous conversations you had with her. Pink flowers, a full candy dish, and the MSP Sunday funnies-will forever bring back great memories of visiting Mary.*

“*Mary's quiet smile expressed so much- her interest in others and what was going on in their lives. Her memory of past events and birthdays was phenomenal. (Hallmark Stores will miss her!) The most amazing thing was her ability to accept the tragic fate of MS without complaint nor bitterness. In spite of discomfort, increased immobility and limited physical movement she did not dwell on feeling sorry for herself. Few people succeed in that. Memories of Mary's strength of character is an inspiration for all of us.*

“*Mary will be so missed by her nieces and nephews. She was a joy to be with and so good about sending greetings to us in our far flung locations in birthdays and anniversaries. Mike and I remember fondly all of the airport greetings she and Dave have given us over the years, whether it was being there upon our arrival or upon our departure. Beautiful smile , Beautiful lady. Glad she is finally without pain. We wish for peace and cherished memories to sustain Uncle David and other relatives through this next phase of life without her. We send our love!
