“ To the family of Mary Conzet, I knew her for many years through Kristine, and am sad I did not see this until now. She was a classy lady who cared about family, faith, and was always very sensitive and kind to me. I remember eating dinner over at the house in Coon Rapids, and looking forward to going there because Mary always kept awesome food in the house. I remember her great laugh too. I will always remember her with fondness. My deepest condolences to all her family. Wishing you peace and love always.
