“ *I have a fond memory of what a fine hostess and lady Mary was when I visited you over a summer weekend when I was about 12 years old. She was always so delightful to visit with any time I saw her, so warm and welcoming to all. She was a great cook, too!*

*May God keep you blanketed with His true and everlasting Love as you face this difficult and heart-wrenching time. We hope it helps some to know that friends and members of your extended family will keep you in our thoughts and prayers. Just so you know, David, my husband & I plan to join you at the services next weekend.
Love and Prayers, Your cousin Carol & Dave, Lyle, MN*
